**Summary:** This table provides key demographic and economic indicators for several countries, including population density, annual growth rate, birth and death rates, infant mortality, life expectancy, and literacy rates. It also includes data on net approved operations since inception. These metrics are crucial for understanding population trends, economic development, and resource allocation across different regions.
The Islamic Development Bank (IDB) is an international financial institution established pursuant to Articles of Agreement done at the city of Jeddah, Kingdom of Saudi Arabia, on 21st September 1975 (corresponding to 12 August 1395H). The inaugural Meeting of the Board of Governors was held on 21st September 1395H (1 October 1975) and the IDB formally began operations on 15 Shawal 1395H (10 October 1975).

Vision

To promote comprehensive human development, with a focus on the priority areas of alleviating poverty, improving health, promoting education, improving governance and empowering the poor.

Membership

The IDB has 58 member countries across various regions. The core purpose of membership is that the member country should be a member of the Organization of the Islamic Cooperation (OIC), that it pays the subscription of its minimum subscription to the Capital Stock of IDB, and that it accepts any terms and conditions that may be decided upon by the Board of Governors.

Capital

At its 38th Annual Meeting, the IDB’s Board of Governors approved the 5th General Capital Increase. The IDB’s authorized capital stood at ID$92 billion and the Subscribed Capital (available for subscription) was ID$10 billion. As at the end of 1436H, the subscribed capital of the IDB stood at ID$49.92 billion.
