IDB TRUST SERVICES LIMITED
(Incorporated as a limited liability par value company in Jersey)
Directors' Report

The Directors present their annual report and audited financial statements for the year ended 31 December 2020.

Incorporation

IDB Trust Services Limited (the "Trustee") was incorporated in Jersey on 17 February 2005 as a limited liability par value company pursuant to the Companies (Jersey) Law 1991, with registered number 89541. The registered office of the Trustee is 44 Esplanade, St Helier, Jersey JE4 9WG, Channel Islands.

All of the issued shares of the Trustee are held by, or on behalf of, Intertrust Corporate Trustee (Jersey) Limited as share trustee, under the terms of a declaration of trust dated 16 February 2005 establishing a charitable trust.

Going Concern

The Trustee is reliant on the continued support of the Islamic Development Bank ("IDB"), in IDB's capacity as the Wakeel (Agent) to service the Sukuk Assets, in respect of the Trustee's ongoing activities. IDB have committed to provide all necessary support and accordingly the Directors have prepared the financial statements on the going concern basis.

Principal Activities

The principal objectives of the Trustee are set out in its Memorandum of Association and these permit the Trustee to act as trustee generally and to issue Trust Certificates in respect of any such Trust, to borrow or raise money and to grant security over its assets for the performance of its obligations or the payment of money. The Trustee was established to raise capital by the issue of Trust Certificates and to use the net proceeds of such issuance to purchase Sukuk Assets in accordance with a Purchase Agreement.

Results

The statement of comprehensive income for the year is set out on page 8. The Directors do not recommend the payment of a dividend for the year ended 31 December 2020 (31 December 2019: USD Nil).

Subsequent Events

Details of subsequent events are set out in note 8 to the financial statements.

Directors

The Directors in office during the year ended 31 December 2020 and when the financial statements were approved are shown on page 28.

Secretary

The Secretary of the Trustee throughout the year, and subsequently, was Intertrust SPV Services Limited.

Statement of Directors' Responsibilities

The Companies (Jersey) Law 1991, as amended (the "Law") requires the Directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Trustee as at the end of the financial year and of the profit or loss of the Trustee for that year. Under that law, the Directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trustee will continue in business.

The Directors are responsible for keeping accounting records which are sufficient to show and explain its transactions and are such as to disclose with reasonable accuracy at any time the financial position of the Trustee at that time, and to enable them to ensure that any financial statements prepared comply with the Law. They are also responsible for safeguarding the assets of the Trustee and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of information to be made available to the auditor

The Directors have taken all steps that they ought to have taken to make themselves aware of the information needed by the Trustee's auditor for the purpose of their audit and to ensure that the auditor is aware of that information. The Directors are not aware of any relevant information of which the auditor is unaware.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IDB TRUST SERVICES LIMITED

Opinion

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with IFRSs as issued by the International Accounting Standards Board; and
- have been prepared in accordance with the requirements of the Companies (Jersey) Law 1991.

We have audited the financial statements of IDB Trust Services Limited ("the Company") for the year ended 31 December 2020 which comprise the Statement of Financial Position, Statement of Comprehensive Income, Statement of Cash Flows, Statement of Changes in Equity and Notes 1 to 8 to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and International Financial Reporting Standards ("IFRSs") as issued by the International Accounting Standards Board.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

Other information

The Directors are responsible for the other information. The other information comprises the information included in Directors' Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material

misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies (Jersey) Law 1991 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Statement of Directors' Responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We gained an understanding of the legal and regulatory framework applicable to the Company and the industry in which it operates, and considered the risk of acts by the Company which were contrary to applicable laws and regulations, including fraud. These included but were not limited to compliance with the Companies (Jersey) Law 1991. We made enquiries of the Directors to obtain further understanding of risks of non-compliance.

We focused on laws and regulations that could give rise to a material misstatement in the financial statements. Our tests included, but were not limited to:

- agreement of the financial statement disclosures to underlying supporting documentation;
- enquiries of management regarding known or suspected instances of non-compliance with laws and regulations;
- review of minutes of Board meetings throughout the year; and
- obtaining an understanding of the control environment in place to prevent and detect irregularities.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Article 113A of the Companies (Jersey) Law 1991. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2020

(All amounts expressed in United States Dollars unless otherwise stated)

1. INCORPORATION AND ACTIVITIES

IDB Trust Services Limited (the "Trustee") was incorporated in Jersey on 8 Muharram 1426H (17 February 2005G) as a limited liability par value company pursuant to the Companies (Jersey) Law 1991, with registration number 89541. The registered office of the Trustee is 44 Esplanade, St Helier, Jersey JE4 9WG, Channel Islands.

The Trustee's authorized share capital is £10,000 (USD 20,000), made up of 10,000 ordinary shares of £1.00 each, of which two ordinary shares of £1.00 (USD 2) each have been issued and are fully paid up.

All of the issued shares of the Trustee are held by, or on behalf of, Intertrust Corporate Trustee (Jersey) Limited as share trustee, under the terms of a declaration of trust dated 7 Muharram 1426H (16 February 2005G) establishing a charitable trust.

The principal objects of the Trustee, as set out in the Memorandum of Association, are to act as trustee generally and to issue trust certificates in respect of any such trust, to borrow or raise money and to grant security over its assets for the performance of its obligations or the payment of money.

The Trustee was established to raise funds by the issue of Trust Certificates and to use the net proceeds of such issuance to purchase the Sukuk Assets in accordance with a Trustee Purchase Agreement.

On 19 September 2019, an amended and restated Master Purchase Agreement was entered into between the Trustee and Islamic Development Bank – Ordinary Capital Resources (IDB-OCR), whereby the Trustee may issue, from time to time, up to USD 25 billion of Trust Certificates, in series. This replaced the original Master Purchase Agreement dated 28 July 2009, the 1st amendment to the Master Purchase Agreement dated 27 September 2010, the 2nd amendment to the Master Purchase Agreement dated 8 June 2012, the 3rd amendment to Master Purchase Agreement dated 24 December 2013, the 4th amendment to the Master Purchase Agreement dated 7 October 2015, the 5th amendment to the Master Purchase Agreement dated June 7 2018 allowing the issuance of up to USD 1.5 billion, USD 3.5 billion, USD 6.5 billion, USD 10 billion, USD 25 billion and USD 25 billion of Trust Certificates respectively.

As part of the Agreement referred to above, IDB-OCR must, in respect of each series, create a separate and independent portfolio of assets comprising of:

- At least 33% tangible assets, comprised of Leased Assets (Ijara), Disbursing Istisna'a Assets, Shares, Sukuk and/or Restricted Mudaraba Assets; and
- No more than 67% intangible assets, comprised of Istisna'a Receivables, Loans Receivables and/or Murabaha Receivables.

2. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

The financial statements have been prepared in accordance with International Financial Reporting Standards.

The financial statements are presented in United States Dollars (USD), which is the Trustee's functional and presentation currency as most of the Trust Certificates are denominated in USD.

The financial statements are prepared on the going concern basis under the historical cost convention.

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all periods presented.

(i) Standards, amendments and interpretations that have been adopted by the Trustee:

There were no new standards adopted by the Trustee during the financial period ended 31 December 2020.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

a) Basis of preparation (continued)

(ii) Standards, amendments and interpretations that became effective for financial periods of the Trustee beginning on or after 1 January 2020 which had no effect on the financial statements of the Trustee.

- Amendment to IFRS 3 Business Combination.
- Amendment to IAS 1 & IAS 8, New definition of Materiality
- Amendment to references to the conceptual Framework in IFRS Standard.
- Amendment to IFRS 16 Leases

(iii) New or revised IFRS standards and Interpretations which will become effective for financial periods of the Trustee beginning on or after 1 January 2021.

Standards issued but not yet effective up to the date of issuance of the financial statements are listed below. The listing is of standards and interpretations issued and the Trustee intends to adopt the standards that are applicable when they become effective.

- Amendment to IFRS 9, IAS 39, IFRS 4 and IFRS 7- IBOR Reform phase 2 amendment (Interest rate Benchmark Reform)-Effective date 1 January 2021.
- Amendment to IFRS 3 Business Combination-updating a reference to the conceptual framework – Effective date 1 January 2022.
- Amendment to IAS 37- Provisions, Contingent assets & Contingent liabilities – Effective date 1 January 2022.

- IFRS 17 Insurance Contracts - Effective for annual period beginning 1 January 2023.
- Amendment to IAS 8 – Accounting Policies, changes in accounting estimates and errors – Effective date 1 January 2023.

b) Going concern

The Trustee is reliant on the continued support of the Islamic Development Bank ("IDB"), in IDB's capacity as the Wakeel (Agent) to service the Sukuk assets, in respect of the Trustee's ongoing activities. IDB have committed to provide all necessary support and accordingly the Directors have prepared the financial statements on the going concern basis.

IMPACT OF COVID-19

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic, which continues to spread throughout the globe including Saudi Arabia. During the year ended 31 December 2020, the Saudi Arabian government rightly took many initiatives to contain the spread of virus, which included restrictions on travel, gathering of people and enactment of curfew timings. This resulted in many non-essential businesses to curtail or suspend activities until further notice.

Considering these factors, the Bank's management carried out an impact assessment on the overall Bank's operations and business aspects including factors like dealing with member countries, continued day to day business activities, financing, investment and collection as well as working capital projections, etc. and concluded that, as at the issuance date of these financial statements, the Company did not have significant adverse impact on its operations and businesses due to COVID-19 pandemic and no significant changes are required to the judgements, assumptions and key estimates.

To preserve the health of the employees and support the prevention of contagion in the operational and administrative areas, the Bank took measures, in line with the recommendations of the World Health Organisation and Ministry of Health - Kingdom of Saudi Arabia, such as working from home, social distancing at work place, rigorous cleaning of workplaces and staff accommodation, distribution of personal protective equipment, testing of suspected cases, limiting non-essential travel, self-health declarations and measuring body temperature. In addition, the Bank's nature of activities facilitated seamless operations during the pandemic.

The operational and financial impacts of the COVID-19 pandemic to date have been reflected in these financial statements. The strong financial position, including access to funds, nature of activities coupled with the actions taken by the Bank to date and the continued operations ensures that the Bank has the capacity to continue through the challenges caused by impacts of the COVID-19 pandemic. However, in view of the current uncertainty, any future change in the assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amounts of the assets or liabilities affected in the future periods. As the situation is rapidly evolving with future uncertainties, management will continue to assess the impact based on prospective developments.

NOTES TO THE FINANCIAL STATEMENTS (continued)

For the year ended 31 December 2020

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

c) Loans and receivables (Amount due from Islamic Development Bank – Ordinary Capital Resources)

Loans and receivables are financial assets with fixed or determinable payments that are not quoted in an active market. Such assets are carried at amortized cost using the effective interest method. Gains and losses are recognized in the statement of comprehensive income when the loans and receivables are derecognized or impaired, as well as through the amortization process.

The Trustee was established to raise funds by the issue of Trust Certificates and to use the net proceeds of such issuance to purchase the Sukuk Assets in accordance with a Master Purchase Agreement. Legal title of the Sukuk Assets passed from IDB-OCR to the Trustee. However, since IDB-OCR continues to guarantee any shortfall in the return to the Trust Certificate holders, the assets did not satisfy the derecognition criteria of IFRS 9 (as carried over from IAS 39) as the associated risks and rewards have not been transferred. Consequently, the Sukuk Assets continue to be recognized in the financial statements of IDB-OCR.

Accordingly, the Trustee has not recognized the transferred assets, or the associated derivative instruments, in its statement of financial position. The Trustee has recorded these assets as an amount due from IDB-OCR. This amount due is deemed to have the characteristics and terms that mirror the Trust Certificates. The Trustee also recognizes income based on the deemed terms of the amount due from IDB-OCR.

d) Loans and borrowings (Trust Certificates issued)

All loans and borrowings (Trust Certificates issued) are initially recognized at the fair value of the consideration received less directly attributable transaction costs. After initial recognition, loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in the statement of comprehensive income when the liabilities are derecognized as well as through the amortization process.

e) Revenue recognition

Income is recognized on the amount due from IDB-OCR using the effective interest method on the amount of Trust certificates issued by the Trustee, and including amortization of transaction costs and related professional fees.

f) Amortisation of Transaction costs

Transaction costs incurred on the issuance of Trust Certificates and additional transaction costs incurred over the Trust Certificates period are capitalized. The transaction costs are then amortised over the period of the Trust Certificates on a straight-line basis. The amortization of transaction costs is charged to the statement of comprehensive income.

The unamortized transaction costs in respect of Trust Certificates redeemed earlier than the maturity dates are charged to the statement of comprehensive income when the Trust Certificates are redeemed.

g) Translation of currencies

Transactions in currencies are recorded at the exchange rates prevailing at the dates of the respective transactions. Monetary assets and liabilities denominated in foreign currencies are translated into United States Dollars at the statement of financial position date. Foreign currency exchange gains and losses, if any, are credited or charged to the statement of comprehensive income. The Trustee operates in US Dollars, Saudi Riyals, British Pounds and Euros.

2. SIGNIFICANT ACCOUNTING POLICIES (continued)**h) Impairment and non-collectability of financial assets**

An assessment is made at each statement of financial position date to determine whether there is objective evidence that a financial asset or group of financial assets may be impaired. If such evidence exists, the estimated recoverable amount of that asset is determined and any impairment loss recognized for the difference between the recoverable amount and the carrying amount. Impairment losses are recognized in the statement of comprehensive income.

i) Cash and cash equivalents

The financial statements of the Trustee do not include any cash funds as all cash transactions are undertaken by IDB-OCR. The cash flow statement therefore comprises of non-cash transactions only.

j) Taxation

The Trustee is liable to pay Jersey income tax at 0%.

k) Expenses

All expenses have been accounted for on the accruals basis.

The Trust Certificates issued by the Trustee and referred to below are either listed on the London Stock Exchange, NASDAQ Dubai, Bursa Malaysia Securities Berhad or not listed.

IDB-OCR continues to recognize the Sukuk Assets and records the amounts due to the Trustee and ultimately to the holders of Trust Certificates as a liability in its financial statements. Accordingly, the Trustee has not recognized these assets in these financial statements. The amount paid to IDB-OCR against purchase of these assets is recorded as a receivable from IDB-OCR.

Each Trust Certificate of a particular Series represents an undivided beneficial ownership interest in the Sukuk Assets for such Series. Recourse against the Trustee in respect of its obligations under the Trust Certificates will be limited to the extent that funds for that purpose are available from the relevant Sukuk Assets.

The Hijri dates set out below are based on current expectations of such dates, as at the date of the financial statements. The actual dates may vary.

- a) The Trustee issued Trust Certificates on 20 September 2010 (11 Shawwal 1431H) for SR 937.5 million (USD 250 million). The Trustee, on that date, applied the proceeds of such issue to purchase a portfolio of Sukuk Assets comprising certain Ijara (lease) contracts (SR 333 million) (USD 89 million), Murabaha (conditional sale) contracts (SR 210.5 million) (USD 56 million), Sukuk investments (SR 148 million) (USD 40 million), and Istisna'a (conditional sale of item to be manufactured) contracts (SR 246 million) (USD 65 million) from IDB-OCR.

5. FINANCIAL RISK MANAGEMENT

The Trustee has issued financial instruments in the form of Trust Certificates. The Trustee has used the proceeds of the Trust Certificates issuance to purchase a portfolio of Sukuk Assets and has the benefit of a liquidity facility available from IDB-OCR in order to ensure that sufficient returns are generated to meet its liabilities to Trust Certificate Holders. It is intended that all financial instruments will be held until maturity and that the Trustee will not trade in financial instruments.

a) Sensitivity analysis

IFRS 7 requires disclosure of 'a sensitivity analysis for each type of market risk to which the entity is exposed at the reporting date, showing how profit or loss and equity would have been affected by changes in the relevant risk variable that were reasonably possible at that date'. Whilst the financial instruments are separately exposed to investment return risk and market price risk, the profit or loss and equity of the Trustee is not exposed to any significant investment return risk or market price risk. Therefore, in the Directors' opinion, no sensitivity analysis is required to be disclosed.

b) Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. For all classes of financial assets held by the Trustee, the maximum credit risk exposure to the Trustee is the carrying value as disclosed in the statement of financial position. The Trustee's credit risk is concentrated in the amount due from IDB-OCR.

The Trustee is subject to the risk of default in payment by the obligors under each of the Ijara contracts, Sukuk Investments, Murabaha contracts, Instalment sales and Istisna'a contracts comprised in the Sukuk Assets. This risk is addressed in respect of the Trust Certificates by IDB-OCR, primarily pursuant to a combination of a Liquidity Facility and Purchase Undertaking Deed. IDB-OCR has agreed to make advances to the Trustee pursuant to the Liquidity Facility Agreement to allow timely payment of amounts due to Trust Certificate Holders. Furthermore, the exercise price payable by IDB-OCR in respect of any Sukuk Assets under the Purchase Undertaking Deed will be based on (a) the aggregate nominal amount of the relevant series of Trust Certificates and (b) the amount of payable but unpaid periodic distribution amounts on such date.

The Trustee is of the opinion that no credit loss is likely to occur.

c) Currency risk

Currency risk is the risk that the value of a financial instrument will fluctuate due to changes in foreign exchange rates. The Trustee does not trade in currencies and is therefore not exposed to currency trading risk.

In addition, IDB-OCR bears any exchange loss arising from the underlying Sukuk Assets, such as the GBP and Euro denominated Sukuks, and the Trustee is not exposed to any currency risk related to those assets.

d) Liquidity risk

Liquidity risk is the risk that the Trustee will not be able to meet its commitments associated with the financial liabilities when they fall due. The Trustee is not exposed to such a risk as IDB-OCR guarantees any shortfall in the scheduled installments.

e) Investment return risk

The income received from IDB-OCR will be matched by the distribution amounts payable to the holders of the Trust Certificates. The Directors therefore believe that there is no investment return risk.

f) Maturity of financial assets and liabilities

The maturity profile of the Trustee's financial assets and financial liabilities is as follows:

	31-Dec-2020		31-Dec-2019	
	Financial Assets USD	Financial Liabilities USD	Financial Assets USD	Financial Liabilities USD
