The Islamic Development Bank
Empowering people for a sustainable future
Boosting Recovery, Building Resilience, Driving Green Economy Growth.
Why IsDB Exist?

The Islamic Development Bank (IsDB) is a financial institution that **promotes socio-economic development for people in 57 Member Countries and Muslim communities in Non-Member Countries.**
Who We Are?

Vision
To equip people to drive their own economic and social progress at scale, putting the infrastructure in place to enable them to fulfil their potential.

Mission
To build collaborative partnerships between communities and nations, across the public and private sectors, as well as foster innovative and sustainable solutions to the world’s greatest development challenges, as we work towards the UN Sustainable Development Goals.
Our Values

1. We Believe
   all people have the right to live in dignity and prosperity, and that nurturing economic growth is the best of poverty.

2. We Equip
   people to drive their own economic and social progress at scale, putting infrastructure in place to enable them to fulfill their potential.

3. We Build
   collaborative partnerships among communities and nations, across the public and private sectors.

4. We Foster
   innovative and sustainable solutions to the world's greatest development challenges, as we work towards the sustainable development goals.
The Islamic Development Bank is a multilateral development bank that works to improve the lives of people by promoting social and economic development.

The Islamic Development Bank Institute is responsible for knowledge creation and dissemination in Islamic Economics and Finance.

The Islamic Corporation for the Insurance of Investment and Export Credit provides investment and export credit insurance for Islamic Countries.

The Islamic Corporation for the Development of the Private Sector supports the economic development of its member countries for the private sector projects.

The International Islamic Trade Finance Corporation is a catalyst for trade development among OIC Member Countries.

The Summit decided to establish a special fund within the IsDB with a view to: (a) reduce poverty, (b) build the productive capacities of member countries, (c) reduce illiteracy, and (d) eradicate diseases and epidemics, particularly Malaria, Tuberculosis (TB) and HIV/AIDS.

IsDB has put Science, technology and Innovation at the heart of its growth strategy, investing heavily in these sectors through its flagship programmes, the Engage Platform and Transform Fund.

Awqaf Properties Investment Fund (APIF) participates in the financing of waqf/endowment income generating commercial and residential real estate properties to enhance the financial sustainability of its beneficiaries and support their social and charitable activities.

IsDB and development cooperation partners have launched a Lives and Livelihoods Fund (LLF) with a joint vision to raise the poorest out of poverty in IsDB member countries. The LLF is the largest development initiative of its kind in the Middle East and serves 33 IsDB member countries.

Economic Empowerment Fund for the Palestinian People (EEFPP) will target to empower more than 300,000 Palestinian families during the next decade, and aims to improve the income and livelihood of Palestinian people in the occupied territories.
IsDB considers public access to information a key component of effective participation of all stakeholders, including the public, in the achievement of its vision and mission.

Requests for information shall be solely at the IsDB Group headquarters through the Marketing and Communications Department Director.
